sharpening steel and
oak butcher block.

CAMILLUS ROSEWOOD Collection

Steak Knife Set

- Quality steak knives, designed to slice – not saw
- High carbon stainless steel
- Elegant Rosewood SEALED finish
- Limited lifetime warranty
- Super-sharp long-lasting edge

Seven-piece cutlery set
includes six quality
steak knives and an
oak butcher block.

Premium steak knife design
combines fine serration and
razor sharp edge, to glide and
slice easily through meat with
no sawing or ripping.

A collection of Camillus knives and a wooden cutting board with vegetables. The knives are arranged in a row, showing various sizes and types. The cutting board is made of light-colored wood and holds several stalks of green onions and a head of lettuce. The background is a light-colored surface.

More and more of today's consumers are looking to buy American. They're also insisting on high quality. The Rosewood Collection delivers on both counts. Here's why:

Uncompromising quality.

High carbon stainless steel blades; beautiful Rosewood sealed finish handles; lifetime warranty.

100% American. Not simply American materials assembled in a foreign land. We take pride in our complete American craftsmanship.

High-impact packaging. Distinctively designed to stand out and capture attention. Hard-working and informatively written.

Wide selection. Choose from butcher block sets, gift boxed items, clam packs and open stock.

A name you can trust. Camillus Cutlery is one of the oldest knife manufacturers in the United States with over 120 years of excellence.

Camillus Rosewood Collection knives are available in an impressive array of gift boxes and open stock packages.
